

# E. M. KAHN & CO.'S CLOTHING HOUSE

## Men's Clothing Store

Cor. Elm &amp; Lamar Streets

The Counters and Tables in this Department fairly groan beneath their loads of NEW SPRING GOODS, in every variety of Fabric and of every conceivable Pattern. Where in previous seasons we have shown ten styles, this Spring we offer fifty styles, and, while heretofore our prices have always been LOWER THAN THE LOWEST, our tremendous purchases this season will permit us to name such ridiculously low prices that the prices of former years will, in comparison, seem quite high. We have accomplished three things this Spring, which cannot fail to please the people, viz., we have improved our styles; we have bettered our workmanship; we have lowered our prices, which joined to the fact that we show an assortment from which to select larger than would be the combined stocks of all other clothiers in the city, renders our store the only place in the State where judicious persons can get the best value for the least money.

Other houses may name prices for certain qualities and styles of suits, but let them be ever so low, we will sell our goods for a lower price. We have guaranteed our prices to be the lowest, and the matter of cost shall not keep us from making our guarantee good.

Our business suits for \$10, \$12 and \$15 can not fail to astonish you in the quality and elegance.

## Boys' & Children's

CLOTHING STORE,

CORNER ELM &amp; LAMAR STREETS.

The variety of goods we are now prepared to show in this store is perfectly wonderful, nor is the assortment confined to two or three different grades, for we have dozens of styles of cut, scores of patterns of warping and numberless shades of colorings in all the varied qualities of goods, from the stoutest Tweed to the finest French fabrics. It is a useless waste of time to be "looking around" hunting for the novel and nobby styles for your boys. Come direct to our store. We do not show two or three styles and say, "That's all we have, madam," but we can show fifty styles, or more. No matter how your taste may incline, if you will only have the patience to look through our stock, we can suit you, not alone in quality and style, but also in that important particular, the price; there will be no trouble on that score, for we have determined to "take the wind out of the sails" of all competitors, let the best be what it may. When we say this, that mean business, and other boys, that professedly "make a specialty of Boy's Clothing," will this season be to take a back seat, for if Low Prices and Good Goods will command the trade, we are going to command it.

## GENTS' FURNISHING

STORE,

CORNER ELM &amp; LAMAR STREETS.

The gratifying results which have crowned our method of conducting this Branch during the past season have served but to "spur us up" in our endeavors to continue in our well-doing. No fancy prices. A small profit on large sales is quite sufficient for us. This season as an indication of our policy, we will offer in this store many lines of staple Underwear, numerous brands of Neck Scarfs and Suspenders, and several makes of Hosiery, for the same prices at retail that other and small dealers have to pay for the same goods. OUR WHITE DRESS SHIRTS are of our own manufacture, and we are supplied with a manufacturer's profit. OUR FANCY COLORED SHIRTS are perfect fitting, and are cut full size in both breast and length measure. Two collars with every shirt, and many styles have detached Cuffs. We are daily receiving choice selections of New French Goods, embracing all the Latest London, and New York and Paris Novelties in Silk Handkerchiefs, Linen Handkerchiefs, Dogskin Gloves, Undressed Kid Gloves, Joinville Scarfs, Windsor Scarfs, Men's Fine Jewelry, Fancy Collars, New style Cuffs, Fancy Colored Half Hose, and an endless variety of Fine Suspenders.

### A Good Showing.

The number of arrests made during the past fiscal year from April 20, 1880, to April 20th, 1881, by city marshal Morton and his police men, foot up two thousand, two hundred and eighty-six. This is a large number of arrests to be made in a place of the dimensions of Dallas, and shows that the guardians of the peace have not been napping. The force consists of the marshal, his deputy, a mounted policeman and eight patrolmen. The fines collected by the marshal in the mayor's court and turned over, amount to \$5,425.20. The remainder of the fines were worked out on the streets, and the prisoners thus worked have done good service in this way, saving the city a great expense. The arrests embrace burglary, theft, drunkenness, concealed weapons, fighting, gaming, vagrancy, etc.

### For Medical Purposes.

W. H. Patterson & Co. have just received a consignment of Old Cabinet Rye Whisky, eight years old, of the purest quality and finest flavor. Having felt that the necessities of Dallas require an article of whisky for medical purposes that the public can rely upon for its excellence and pure brandies, wines and liquors that are of the most celebrated brands, this firm has taken upon itself to supply these wants, and they guarantee every article as they represent it. They also keep cheaper grades of whiskies and liquors, but will make a specialty of only pure goods.

And remember they still sell Patterson's Penicilline Liniment, the best ever invented and which has never failed when properly used to cure all pains, aches, bruises, etc.
